that the Resolutions 28 to 32 passed in the 1st Conference were suitable and that the Durbar would gladly cooperate in the scheme if desired.

From the letter addressed by the Secretary to the Standing Committee of the Conference, to the joint Secretary to the Govt of India, Deptt of Education (copy received), it is observed that the Committee would have the opinion of the local Govts and Native States on the several proposals therein contained, but nothing is said about it in the Residency communication.

Para 2 Proposal IV may perhaps throw light on the nature of the Depts which the Committee would like to be represented in the Conference.
